Family,

Pleasant greetings and heartfelt congratulations on the transition into the new year of "Attempting Great Things For God".

What a privilege it was following Jesus in 2023, that we saw and touched the faithfulness of God in many dimensions.

We eagerly and excitedly anticipate a 2024 that is even more magnificent, satisfying, influential and amazing.

We hope to build on the gains of 2023 by focusing on growth, prayers, and a lot of praises without missing the Word, God has repositioned us as a church family to know Him more, to be more productive and prosperous. We hope to have several outreaches in the course of the year, engaging all from different backgrounds; with a desire to also go on more mission trips with teams in the church.

It's important that you thank God with me for my promotion to the position of Deputy Continental Overseer, which comes with its own responsibilities, and it is certainly a blessing to us all.

As the world is recovering from all sorts of issues like war, economic challenges, inflations etc, we shall hold on to the "Anchor of Hope", The "Prince of Peace", Isaiah 9:6; Jesus Christ to help us navigate the season.

I'd like to say that if there is a time to be more dedicated than ever, it is now. Let's take the issue of consecration and holiness very seriously as the stakes are getting higher and distractions are increasing on every side.

2024 is a leap year, so expect to leap forward and ahead by the grace of God and the power of His presence. Folks, we must attempt great things for God, Daniel 11:32, dream bigger, envision larger, win more souls, don't hold back, look forward and not backward.

My heart honours and celebrates you for being a wonderful member of this great house and family - Royal Connections.

You shall attempt and do great things for God!

We hope to build on the gains of 2023 by focusing on growth, prayers, and a lot of praises without missing the Word, God has repositioned us as a church family to know Him more, to be more productive and prosperous.

PGSO's Reflection

2023...

...Was a fulfilling and productive year filled with many accomplishments, but also moments of sadness and loss. The theme of the year, 'Following Jesus' was truly fitting. I was immensely blessed by the Digging Deep Back to Basics Teachings that focused on the Christian doctrinal foundations. Additionally, studying the parables and miracles of Jesus through the journey of the gospels has greatly contributed to my spiritual growth.

Celebrating two major milestones, the 25th anniversary of Dining With Christ and the 20th anniversary of the Woman on a Mission conference, was a true blessing. These events were executed excellently and were accompanied by countless testimonies. The various Relationship Sundays throughout the year further strengthened our bonds as a church community. We experienced significant numerical growth. All glory goes to God!

This year, we introduced youth takeover services in addition to the youth week. Our children have excelled in all areas, and the Royal Angelic Children's Choir has performed exceptionally well, even representing the United Kingdom in the RCCG Congress. Not only did we pray for King Charles III's coronation, but we also celebrated it in style with our local community. We witnessed numerous weddings, miracle births, and testimonies of successful immigration settlements, promotions at

work, graduations, and protection from fires, accidents, and more. The twenty-fold covenant blessings of RC have undeniably been at work for us. We are grateful for the natural groups that expressed themselves in various ways this year, such as the Wisdom Group, Royal Men Fellowship, and Royal Women Ministry.

We had a diverse range of prayer expressions throughout the year, including small group prayers, prayer marathons,

Let the Rivers Flow ten-night Vigils, Meet My Need Zoom Prayer Room, Help is Here, 60 Minutes With God, and Gethsemane Hour. We concluded the year with a spirit of thanksgiving, as each department danced before the Lord to express gratitude for His goodness towards them, and also Praises of Closure by the entire church, a time of worshipping the King of kings.

On a personal note, my status changed, and I am now a grandmother! Who did it? JESUS!

The various Relationship Sundays throughout the year further strengthened our bonds as a church community. We experienced significant numerical growth. All glory goes to God!

Divine Iconz hosted a youth week from August 7th-13th, featuring activities like scavenger hunts, paintballing, skill days, and games. The theme was The Word Became Flesh from John 1:14. Youth teachers participated, leading services with enthusiasm. The grand finale included discussions on peer pressure and maintaining friendships. The service was strategic, with a motherly blessing from PGSO. The teachers were credited for mentoring future leaders.

Royal Tribe Church Prayer Vigil

RTC held its first prayer vigil of the year called Heart's Cry, on February 3rd. It was an incredible experience to connect with Jesus in a whole new way. The prayers were sincere, the worship was heartfelt, the atmosphere was indescribable, and the message resonated deeply with everyone. This monthly event is truly something special.

Royal Tribe Kids Service (RTK)

RTC kickstarted a unique children's service and tagged RTK. It was a service that catered to the children, keeping them engaged while their parents enjoyed service. The children's service was engaging as children enjoyed lots of fun games and learned more about God. The first of these expressions of RTK started in February. It continues to be held every Sunday.

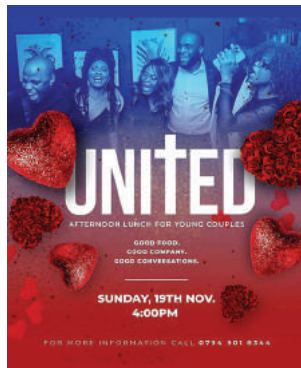

RTC Beautiful Exchange

RTC held a Beautiful Exchange event on April 8th, transforming a church into a concert hall. Ministers Niella, Folabi Nuel, and Royal Tribe Worship featured, bringing God's presence and joy to many attendees.

Young Married Couples' Lunch

On a Sunday afternoon, 19th November, RTC hosted a brunch for couples tagged United. The lunch was for young married couples to get together. Good food, company, conversations, vibes, fun and games were on the day's agenda. What more can one ask for? The ambience was calm, and the day was exciting. The lunch was open to non-RTC members.

Community Outreach

RC Community Outreach team, in collaboration with ICAT, provides healthcare, professional advice, and food to those in need in the community. A monthly reception, tagged Community Outreach Event, offers hot drinks, refreshments, and food packs to attendees.

King's Coronation Street Party

RC and the Community Outreach team organised a free street party on May 7th, celebrating King Charles III's coronation. The event included games, quizzes, music, and dance, and enjoyment among children and adults, regardless of background.

Compassion UK

RC continues to sponsor children via Compassion UK annually. It is a worthy opportunity to bring hope and lasting change to children living in poverty.

Mission To Uganda

Expressions of giving back to the community in RC vary occasionally. In 2023, RC, represented by a team of six, including PDSO, embarked on a mission to Uganda. It was a seven-day trip to minister to children and adults in diverse ways – medically, financially, spiritually, welfare-wise, and so on. RC has been sponsoring the education of children from primary to secondary schools for the past 15 years and continue to do so. The team met with the sponsored children. RC facilitated medical check-ups with Dr Seun Audu attending to children and adults by giving medical advice. The trip also featured trips to Ntinda, Jinja, Kampala, and Entebbe, to mention a few. PDSO ministered powerfully at Grace Redeemed Cathedral, the church that benefits from RC sponsorship. The children were so filled with gratitude that they presented gifts to PDSO. He also ministered at various RCCG churches in Kampala.

Africa Missions

RC continues to support the work of Africa Missions in RCCG Europe Region 3 Chapter in Senegal and of UK Region 3 Chapter in Malawi and Angola. We are also involved in the Africa Missions Global Summit which holds annually in London.

Smile of A Woman

The Smile of A Woman Christmas Project, spearheaded by RWM, is a truly heartwarming gift. Annually in December, Royal Women generously contribute funds to support a chosen charity, and this year, the Magpie Project was selected. Led by dedicated women, this organisation provides assistance to mothers in Newham facing homelessness or unstable living conditions with children under five. A generous donation of £1200 was presented to them just before Christmas, eliciting genuine smiles. Our heartfelt appreciation goes to the Royal Women Ministry for this exceptional and generous act of Christmas kindness.
